

The Be Smart Family Planning Program is designed to reduce unintended pregnancies and improve the well-being of children and families in North Carolina.

Family Planning Can Help You Have a Better Life.

- Helps you to decide when or if to have a baby.
- Helps you plan a healthy pregnancy and birth.
- Allows parents to provide for their family, both financially and emotionally.
- Allows more time and attention for your children.

The North Carolina Be Smart Program:

- Provides family planning and birth control;
- Is free – there is no cost for the services;
- Is voluntary; and
- Is confidential.

Who Can I Call If I Have Questions?

You can call your local Department of Social Services, or your local Health Department at the number listed in your local phone book.

For more information go online to:
